## Andrew Maxfield

Marketing & Technology Associate  
Consensus Building Institute Staff

Andrew's mission is to enhance CBI's image and competitiveness in the marketplace, support the intersection of CBI's core mission with appropriate technologies, and generally add value to CBI, its partners, and [projects](#). He has managed the development of multiple websites and web-based tools in addition to the production of books, reports, and various forms of collateral.

Prior to joining CBI, Andrew managed the marketing efforts of Tantara Records, a classical record label. He graduated summa cum laude from Brigham Young University.
