

## **MEMORANDUM**

**TO: Raymark Superfund Team**  
**FROM: Patrick Field and Kate Harvey, Facilitators**  
**DATE: December 29, 2008**  
**RE: Final Documents**

Please find in the attached files the final recommendations of the Raymark Superfund Team (RST).

U.S. E.P.A. Regional Administrator Robert Varney and Connecticut D.E.P. Commissioner Regina McCarthy convened the team in August 2009. The Team met from September 2 until December 4, 2008. A full record of the Team's proceedings can be found at [www.cbuiding.org/Raymark](http://www.cbuiding.org/Raymark).

The attached documents include the final culmination of the intensive work of the team. They include a general set of recommendations reached by concurrence by all RST participants. All other documents are individual, additional, and final proposals submitted by various participants and are not agreed to by all and should in no way be construed as an endorsement by the group as a whole of these individual final proposals. The documents include:

- RST joint recommendations to the Commissioner and Regional Administrator;
- A RST participant and liaison list; and,
- Individual or agency final additional proposals from:
  - Save Stratford;
  - Former Raymark Advisory Committee member the Town resident;
  - Former Raymark Advisory Committee member the Town property owner;
  - U.S. E.P.A. and CT D.E.P. (a text document, figure, and table)

We want to thank all RST participants for their dedication, hard work, and perseverance. Should you have any questions, please don't hesitate to contact us at 617-844-1118 or 617-492-1414.
